COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Examiner's Statement regarding his reasons for allowance of the above-captioned application employs language which is apparently unduly limiting and which is apparently inadvertently not consonant with the allowed claim language. In particular, the Examiner refers to an "operating rod" and to "claimed limitations of claim 1." The allowed independent claim 1

Serial No. 10/031,831 - - - 2

(the only independent claim that has been allowed) refers to an "operating arrangement," not to a specific "rod."

Respectfully submitted,

By:
